

Consultation Feedback Questionnaire

Thank you for taking the time to come to this exhibition which outlines our proposal to deliver a new residential, leisure and recreational area on the edge of Essington. Your views, local knowledge and feedback are important to us and we would appreciate your comments.

Please complete the following questionnaire and let us have any comments you may have.

OUR VISION

Our Vision is to create a new organic extension to the existing community of Essington with a new Essington Park at the heart of the community where young and old alike will benefit from the facilities: a development expressing confidence in the village, located within walking distance of existing and new residents.

Questions	Yes	No	Undecided
1. Do you agree with our vision?			
2. What would be your alternative vision?			

OUR OBJECTIVES

- To provide a new residential community on land earmarked for expansion many years ago.
- To create a mix of housing that provides starter homes that are affordable and retirement bungalows for our older residents.
- To provide access to new facilities that will benefit the public, including a youth centre, new equipped children's play area, school car park, junior football pitches, a bowling green and allotments.
- To fund the development without a penny from council taxpayers assisted by the development of new homes within the overall scheme.

Questions	Yes	No	Undecided
3. Do you agree that these are the right objectives?			
4. What other objectives would you set?			

OUR PROPOSED DESIGN FOR THE RESIDENTIAL DEVELOPMENT

Questions	Yes	No	Undecided
5. Do you like the design of the residential development?			
6. Do you have any comments on the design?			

OUR CONCEPT PLAN FOR A NEW RETIREMENT BUNGALOW SCHEME

Questions	Yes	No	Undecided
7. Do you agree that we should incorporate a retirement bungalow scheme within the concept plan for the site?			

ISSUES OF SUSTAINABILITY

Questions	Yes	No	Undecided
8. Should we think about ways we can reduce consumption of fuels such as electricity and gas?			
9. Should we include plans to generate our own heat and power, such as from wind or the sun?			
10. Should we plan to harvest rainwater and expand household recycling?			
11. Would you want the facilities monitored by CCTV?			
12. Are there any community facilities you would like to see within the development that we haven't mentioned?			

ANY FURTHER COMMENTS

Please use this space to add any further comments you may wish to make.

Please tell us your postcode as it will help us identify opinions area by area.
